

INDEPENDENT AUDITOR'S REPORT
To the Members of Red Pixels Ventures Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of **Red Pixels Ventures Limited** ("the Company"), which comprise the Balance Sheet as at 31 March 2026, the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and Statement of Cash Flows for the year ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act (Ind AS) and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2026, and its loss and total comprehensive loss, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("the ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Director's Report, but does not include the financial statements and our Auditor's Report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the and Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of the Management and Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our Auditor's Report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal financial controls that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the **Annexure A**, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report to the extent applicable that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act.
 - (e) On the basis of the written representations received from the directors as on 01 April 2026 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2026 from being appointed as a director in terms of Section 164(2) of the Act.
 - (f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in **Annexure B**.
 - (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of Section 197(16) of the Act, as amended, the Company has not paid any managerial remuneration during the current year and accordingly the requirements as stipulated by Section 197(16) of the Act are not applicable to the Company.
 - (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note 29 to the financial statements.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

- iv. (a) The management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- (b) The management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- (c) Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v. The Company has not declared or paid any dividend during the year and has not proposed final dividend during the year.
- vi. Based on our examination which included test checks, the Company has used accounting software, for maintaining its books of account for the financial year ended 31 March 2026, which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with.

Additionally, the audit trail, has been preserved by the company as per the statutory requirements for record retention.

Annexure A to the Independent Auditor's Report

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of the Independent Auditor's Report of even date to the members of **Red Pixels Ventures Limited** on the financial statements as of and for the year ended 31 March 2026)

- (i) (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipment.
 - (B) The Company has maintained proper records showing full particulars of intangible assets.
 - (b) The Company has a regular program of physical verification of its property, plant and equipment under which property, plant and equipment are verified in a phased manner over a period of three years, which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. In accordance with this program, certain property, plant and equipment were verified during the year and according to the information and explanations given to us, no material discrepancies were noticed on such verification.
 - (c) According to the information and explanations given to us and the records examined by us, the Company does not hold any immovable property (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee). Accordingly, the provisions of clause 3(i)(c) of the Order are not applicable.
 - (d) The Company has not revalued its property, plant and equipment and intangible assets during the year.
 - (e) There are no proceedings which have been initiated or are pending against the Company for holding benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) (as amended in 2016) and rules made thereunder.
- (ii) (a) The Company does not have any inventory. Accordingly, the provisions of clause 3(ii)(a) of the Order are not applicable.
 - (b) According to the information and explanations given to us, the Company has not been sanctioned any working capital facility at any point of time during the year from banks or financial institutions on the basis of security of current assets. Accordingly, the provisions of clause 3(ii)(b) of the Order are not applicable.
- (iii) According to the information and explanations given to us, the Company has not made investments in, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured to companies, firms, Limited Liability Partnerships (LLPs) or any other parties. Accordingly, the provisions of clause 3(iii)(a) to (f) of the Order are not applicable.
 - (iv) The Company has not granted any loan, made investment or provided guarantees or securities. Accordingly the provisions of clause 3(iv) of the Order are not applicable.
 - (v) The Company has not accepted any deposits and in our opinion, the Company is not holding any amounts which are deemed to be deposits during the year. Further the Company had no unclaimed deposits at the beginning of the year.. Accordingly, the provisions of clause 3(v) of the Order are not applicable.
 - (vi) The Central Government has not specified maintenance of cost records under sub-section (1) of Section 148 of the Act, in respect of Company's services. Accordingly, the provisions of clause 3(vi) of the Order are not applicable.
- (vii) (a) In our opinion and according to the information and explanations given to us, the Company is regular in depositing undisputed statutory dues including goods and services tax, provident fund, income-tax, cess and other material statutory dues, as applicable to the Company, with the appropriate authorities during the year. There were no undisputed amounts payable in respect thereof which were outstanding at the year-end for a period of more than six months from the date they become payable. We have been informed that the provisions of the Employees State Insurance Act, 1948 are not applicable to the Company and the operations of the Company during the year did not give rise to any liability for service tax, sales tax, value added tax duty of customs and duty of excise.

- (b) According to the information and explanations given to us, there are no statutory dues referred to in sub-clause (a) that have not been deposited with the appropriate authorities on account of any dispute except for the following cases:

(Amounts in INR millions)

Name of the statute	Nature of dues	Amount	Amount paid under protest*	Net outstanding dues	Period to which the amount relates	Forum where dispute is pending
Income Tax Act, 1961	Income tax	120.99	31.31	89.68	AY 2016-17	Commissioner of Income Tax (Appeals)
		78.23**	-	78.23		

* Includes the amounts adjusted against tax refunds by the authorities.

** Interest charged under Section 220(2).

- (viii) According to the information and explanations given to us, there were no such transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).
- (ix) (a) The Company has not taken any loans or other borrowings from any lender. Accordingly, the provisions of clause 3(ix) of the Order are not applicable.
- (b) According to the information and explanations given to us and, we report that the Company has not been declared wilful defaulter by any bank or financial institution or, government or any government authority.
- (c) The Company has not taken any term loan during the year and there are no unutilized term loans at the beginning of the year. Accordingly, the provisions of clause 3(ix) (c) of the Order are not applicable.
- (d) On an overall examination of the financial statements of the Company, we report that funds raised on short-term basis have prima facie, not been used for long-term purposes by the Company.
- (e) The Company did not have any subsidiary, associate or joint venture. Accordingly, the provisions of clause 3(ix) (e) of the Order are not applicable.
- (x) (a) The Company had not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, the provisions of clause 3(x)(a) of the Order are not applicable.
- (b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally). Accordingly, provisions of clause 3 (x) (b) of the order are not applicable.
- (xi) (a) To the best of our knowledge and according to the information and explanations given to us, no fraud by the Company and no fraud on the Company has been noticed or reported during the period.
- (b) To the best of our knowledge, no report under sub-section (12) of Section 143 of the Act has been filed in Form ADT-4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 (as amended) with the Central Government, during the year and up to the date of this report.
- (c) As represented to us by the management, there are no whistle-blower complaints received by the Company during the year and up to the date of this report.
- (xii) The Company is not a Nidhi Company. Accordingly, the provisions of clause 3(xii) (a) to (c) of the Order are not applicable.
- (xiii) In our opinion and according to the information and explanations given to us, all transactions with the related parties are in compliance with Sections 177 and 188 of the Act, where applicable, and the requisite details have been disclosed in the financial statements etc., as required by the applicable accounting standards.

- (xiv) The Company does not have an internal audit system as it is not required to have an internal audit system as per Section 138 of the Act. Accordingly, the provisions of clause 3(xiv) (a) to (b) of the Order are not applicable.
- (xv) In our opinion and according to the information and explanation given to us, during the year the Company has not entered into any non-cash transactions with the directors or persons connected with its directors, hence provisions of Section 192 of the Act are not applicable to the Company.
- (xvi) (a) The Company is not required to be registered under Section 45-IA of the RBI Act, 1934. Accordingly, provisions of clause 3(xvi)(a) of the Order are not applicable.

(b) The Company has not conducted any non-banking financial or housing finance activities during the year.

(c) The Company is not a Core Investment Company ("CIC") as defined in the regulations made by the Reserve Bank of India. Accordingly, provisions of clause 3(xvi)(c) of the Order are not applicable.

(d) The Group has no CIC, which are part of the Group.
- (xvii) The Company has incurred cash losses amounting to Rs 8.47 million in the current financial year and Rs 9.83 million in the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors of the Company during the year.
- (xix) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- (xx) The provisions of Section 135 of the Act are not applicable to the Company. Accordingly, provisions of clause 3 (xx) (a) and (b) of the order are not applicable for the year.
- (xxi) The Company has no subsidiary, associate or joint venture and the Company is not required to prepare consolidated financial statements. Accordingly, provisions of clause 3(xxi) of the Order are not applicable.

Annexure B to the Independent Auditor's Report on the Financial Statements of Red Pixels Ventures Limited for the year ended 31 March 2026

Independent Auditor's report on the Internal Financial Controls with reference to Financial Statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

(Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our Audit Report of even date)

We have audited the internal financial controls with reference to financial statements of **Red Pixels Ventures Limited** ("the Company") as of 31 March 2026 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Responsibilities of Management and Those Charged with Governance for Internal Financial Controls

The Company's Management and Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal financial control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the 'Guidance Note') issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the Company's business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial Statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls with reference to Financial Statements

A Company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of Management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, and to the best of our information and according to the explanations given to us, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at 31 March 2026, based on the internal financial control with reference to financial statements criteria established by the Company considering the essential components of such internal controls stated in the Guidance Note.

Red Pixels Ventures Limited
Statement of Cash Flows for the year ended 31 March 2026

Particulars	(All amounts in INR millions, unless otherwise stated)	
	For the year ended 31 March 2026	For the year ended 31 March 2025
Cash flow from operating activities		
Profit/ (Loss) before income tax	(11.51)	(14.67)
Adjustments for:		
Depreciation and amortisation expense	2.68	3.33
Interest income	(10.51)	(10.35)
Liabilities no longer required written back	(0.80)	(0.10)
Intangible assets under development write off	1.16	-
Cash generated from/(used in) operations before working capital changes	(18.98)	(21.79)
Working capital adjustments		
Change in trade receivables	35.41	1.67
Change in other financial assets	(10.25)	10.34
Change in other assets	(8.61)	4.18
Change in trade payables	23.33	27.60
Change in other financial liabilities	(6.39)	2.07
Change in other liabilities	3.02	(6.56)
Change in provisions	4.01	2.26
Cash generated from/(used in) operating activities	21.54	19.77
Income tax paid (net)	(9.20)	(10.90)
Net cash generated from/(used in) operating activities (A)	12.34	8.87
Cash flows from investing activities		
Purchase of property, plant and equipment	(0.75)	(0.22)
Purchase of Intangible assets	(0.29)	(0.86)
Proceeds from maturity of deposits with banks	23.84	25.14
Proceeds from sale of property, plant and equipment	-	0.05
Interest received	10.50	10.51
Net cash generated from/(used in) investing activities (B)	33.30	34.62
Cash flows from financing activities		
Finance cost paid	-	-
Net cash generated from/(used in) financing activities (C)	-	-
Net increase / (decrease) in cash and cash equivalents (A+B+C)	45.64	43.49
Cash and cash equivalents at the beginning of the year (refer note 7)	48.77	5.28
Cash and cash equivalents at the end of the year (refer note 7)	94.41	48.77
Notes to the statement of cash flows:		
Components of cash and cash equivalents:-		
Cash on hand	0.03	0.02
Balance with banks:		
- in current accounts	23.31	6.82
Deposits with banks having maturity of less than 3 months	71.07	41.93
Balances per statement of cash flows	94.41	48.77

The above Statement of Cash Flows has been prepared under the 'Indirect Method' as set out in Ind AS 7, 'Statement of Cash Flows'.

Red Pixels Ventures Limited
Notes to the financial statements for the year ended 31 March 2026

Reporting entity

The Company was incorporated on 1 September, 2015 under the provisions of the Companies Act, 2013 with its registered office situated at 1st Floor, Office no. 8, Scindia House, K G Marg, New Delhi-110001. The Company maintains and operates online platform Gadgets360.com, which keeps its users updated with the latest information and reviews about gadgets.

Note 1 Basis of preparation

a. Statement of compliance

Financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) as notified by Ministry of Corporate Affairs pursuant to section 133 of the Companies Act, 2013 ("Act") read with of the Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act.

The financial statements were authorised for issue by the Company's Board of Directors on 28 April 2026.

b. Functional and presentation currency

The financial statements are presented in Indian Rupee (INR), which is the functional and presentation currency of the Company. All amounts have been rounded off to the nearest million upto two decimals, unless otherwise stated.

c. Basis of measurement

The financial statements have been prepared on the historical cost basis except for the following items:

Items	Measurement basis
Certain financial assets	Fair value

d. Use of estimates and judgements

In preparing the financial statements, management has made judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised prospectively.

i. Judgements

The preparation of financial statements requires the use of accounting estimates which, by definition, will seldom equal the actual results. Management exercises judgement in applying the Company's accounting policies.

This note provides an overview of the areas that involved a higher degree of judgement or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgements is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

ii. Assumptions and estimation uncertainties

The areas involving critical estimates are:

- Recognition and measurement of provisions and contingencies;
- Estimation of defined benefit obligation;
- Estimated useful life of intangible assets;
- Impairment test of non-financial assets; and
- Impairment of trade receivables and other financial assets.

Estimates and judgements are continually evaluated. They are based on historical experience and other factors, including expectations of future events that may have a financial impact on the Company and that are believed to be reasonable under the circumstances.

e. Current versus non-current classification

The Company presents assets and liabilities in the Balance Sheet based on the current/non current classification.

All assets and liabilities have been classified as current and non-current as per the Company's normal operating cycle. Based on the nature of services rendered to customers and time elapsed between deployment of resources and the realisation in cash and cash equivalents of the consideration for such services rendered, the Company has considered an operating cycle of 12 months. The statement of cash flows has been prepared under indirect method, whereby profit or loss is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and items of income or expense associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated. The Company considers all highly liquid investments that are readily convertible to known amounts of cash and are subject to an insignificant risk of changes in value to be cash equivalents.

f. Measurement of fair values

A number of accounting policies and disclosures require measurement of fair value for both financial and non-financial assets and liabilities.

The Company has an established control framework with respect to the measurement of fair values. This includes a finance team that has overall responsibility for overseeing all significant fair value measurements, including Level 3 fair values, and reports directly to the Board.

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

The Company recognise transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

Further the information about the assumptions made in measuring fair values is included in the financial instruments.

- financial instruments.

Red Pixels Ventures Limited
Notes to the financial statements for the year ended 31 March 2026

Note 2: Material accounting policies

This note provides a list of the material accounting policies adopted in the preparation of standalone financial statements. The accounting policies adopted are consistent with those of the previous financial year, except if mention otherwise.

a. Financial instruments

Financial instrument is any contract that gives rise to a financial asset of the entity and a financial liability or equity instrument of another entity.

i. Recognition and initial measurement

Trade receivables and debt securities issued are initially recognised when they are originated. All other financial assets and financial liabilities are initially recognised when the Company becomes a party to the contractual provisions of the instrument.

A financial asset or financial liability is initially measured at fair value plus, for an item not at fair value through profit and loss (FVTPL), transaction costs that are directly attributable to its acquisition or issue.

ii. Classification and subsequent measurement

Financial assets

On initial recognition, a financial asset is classified as measured at:

- amortised cost;
- FVTPL

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Company changes its business model for managing financial assets.

A financial asset is measured at amortised cost if it meets both of the following conditions and is not designated as at FVTPL:

- the asset is held within a business whose objective is to hold assets to collect contractual cash flows; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets: Subsequent measurement and gains and losses

Financial assets at FVTPL	These assets are subsequently measured at fair value. Net gains and losses, including any interest or dividend income, are recognised in profit or loss.
Financial assets at amortised cost	These assets are subsequently measured at amortised cost using the effective interest method. The amortised cost is reduced by impairment losses, if any. Interest income, foreign exchange gains and losses and impairment are recognised in profit or loss. Any gain or loss on derecognition is recognised in profit or loss.

Financial liabilities: Classification, subsequent measurement and gains and losses

Financial liabilities are classified as measured at amortised cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held-for-trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognised in profit or loss. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognised in profit or loss. Any gain or loss on derecognition is also recognised in profit or loss.

iii. Derecognition:

Financial assets

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

If the Company enters into transactions whereby it transfers assets recognised on its Balance Sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.

Financial liabilities

The Company derecognises a financial liability when its contractual obligations are discharged or cancelled, or expire.

The Company also derecognises a financial liability when its terms are modified and the cash flows under the modified terms are substantially different. In this case, a new financial liability based on the modified terms is recognised at fair value. The difference between the carrying amount of the financial liability extinguished and the new financial liability with modified terms is recognised in profit or loss.

Red Pixels Ventures Limited
Notes to the financial statements for the year ended 31 March 2026

b. Property, plant and equipment

i. Recognition and measurement:

Items of property, plant and equipment are measured at cost, which includes capitalised borrowing costs, less accumulated depreciation and accumulated impairment losses, if any.

Cost of an item of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located.

The cost of a self-constructed item of property, plant and equipment comprises the cost of materials and direct labour, any other costs directly attributable to bringing the item to working condition for its intended use, and estimated costs of dismantling and removing the item and restoring the site on which it is located.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

Any gain or loss on disposal of an item of property, plant and equipment is recognised in profit or loss.

ii. Subsequent expenditure:

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Company.

iii. Capital Work in Progress:

Expenditure related to and incurred during implementation of capital projects to get the assets ready for intended use is included under "Capital Work in Progress". The same is allocated to the respective items of property plant and equipment on completion of construction/ property plant and equipment. The cost of asset not ready for its intended use before the year end & capital inventory are disclosed under capital work in progress.

iv. Depreciation:

Depreciation is calculated on cost of items of property, plant and equipment less their estimated residual values over their estimated useful lives using the straight-line method, and is generally recognised in the Statement of Profit and Loss.

The useful lives as estimated for tangible assets are in accordance with the useful lives as indicated in Schedule II of the Companies Act, 2013 except for the following classes of assets where difference useful lives have been used:

Asset Class	Useful life (in years)
Computers	3-6
Office Equipment	3-5

Depreciation method, useful lives and residual values are reviewed at each financial year-end and adjusted if appropriate. Based on technical evaluation and consequent advice, the management believes that its estimates of useful lives as given above best represent the period over which management expects to use these assets.

Depreciation on additions (disposals) is provided on a pro-rata basis i.e. from (upto) the date on which asset is ready for use (disposed of).

c. Intangible assets

i. Recognition and measurement:

Intangible assets including those acquired by the Company in a business combination are initially measured at cost. Such intangible assets are subsequently measured at cost less accumulated amortisation and any accumulated impairment losses.

ii. Subsequent expenditure:

Subsequent expenditure is capitalised only when it increases the future economic benefits embodied in the specific asset to which it relates. All other expenditure, including expenditure on subsequent date is recognised in profit or loss as incurred.

iii. Amortisation:

Amortisation is calculated to write off the cost of intangible assets less their estimated residual values over their estimated useful lives using the straight-line method, and is included in depreciation and amortisation in Statement of Profit and Loss.

The estimated useful lives are as follows:

Asset Class	Useful life (In years)
Computer Software	6
Website	6

Amortisation method, useful lives and residual values are reviewed at the end of each financial year and adjusted if appropriate.

d. Impairment

Impairment of financial instruments

The Company recognise loss allowances for expected credit losses on:

At each reporting date, the Company assesses whether financial assets carried at amortised cost are credit impaired. A financial asset is 'credit impaired' when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred.

The Company measures loss allowances at an amount equal to lifetime expected credit losses, except for the following, which are measured as 12 month expected credit losses:

- debt securities that are determined to have low credit risk at the reporting date; and
- other debt securities and bank balances for which credit risk (i.e. the risk of default occurring over the expected life of the financial instrument) has not increased significantly since initial recognition.

Lifetime expected credit losses are the expected credit losses that result from all possible default events over the expected life of a financial instrument.

12-month expected credit losses are the portion of expected credit losses that result from default events that are possible within 12 months after the reporting date (or a shorter period if the expected life of the instrument is less than 12 months).

In all cases, the maximum period considered when estimating expected credit losses is the maximum contractual period over which the Company is exposed to credit risk.

Presentation of allowance for expected credit losses in the Balance Sheet

Loss allowances for financial assets measured at amortised cost are deducted from the gross carrying amount of the assets.

Write-off

The gross carrying amount of a financial asset is written off (either partially or in full) to the extent that there is no realistic prospect of recovery. This is generally the case when the Company determines that the debtor does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write-off. However, financial assets that are written off could still be subject to enforcement activities in order to comply with the Company's procedures for recovery of amounts due.

e. Employee benefits:

i. Short-term employee benefits:

Short-term employee benefit obligations are measured on an undiscounted basis and are expensed as the related service is provided. A liability is recognised for the amount expected to be paid e.g., under short-term cash bonus, if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee, and the amount of obligation can be estimated reliably.

ii. Defined contribution plan

A defined contribution plan is a post-employment benefit plan under which an entity pays fixed contributions into a separate entity and will have no legal or constructive obligation to pay further amounts. The Company makes specified monthly contributions towards Government administered provident fund scheme. Obligations for contributions to defined contribution plans are recognised as an employee benefit expense in profit or loss in the periods during which the related services are rendered by employees.

iii. Defined benefit plan

A defined benefit plan is a post-employment benefit plan other than a defined contribution plan. The Company's net obligation in respect of defined benefit plans is calculated separately for each plan by estimating the amount of future benefit that employees have earned in the current and prior periods, discounting that amount.

The calculation of defined benefit obligation is performed annually by a qualified actuary using the projected unit credit method taking into consideration the various determination of the discount rate, future salary increases and mortality rate.

Remeasurements of the net defined benefit liability, which comprise actuarial gains and losses, are recognised in OCI. The Company determines the net interest expense on the net defined benefit liability for the period by applying the discount rate used to measure the defined benefit obligation at the beginning of the annual period to the then-net defined benefit liability, taking into account any changes in the net defined benefit liability during the period as a result of contributions and benefit payments. Net interest expense and other expenses related to defined benefit plans are recognised in profit or loss.

When the benefits of a plan are changed or when a plan is curtailed, the resulting change in benefit that relates to past service ('past service cost' or 'past service gain') or the gain or loss on curtailment is recognised immediately in profit or loss. The Company recognises gains and losses on the settlement of a defined benefit plan when the settlement occurs.

iv. Termination benefits

Termination benefits are expensed at the earlier of when the Company can no longer withdraw the offer of those benefits and when the Company recognises costs for a restructuring. If benefits are not expected to be settled wholly within 12 months of the reporting date, then they are discounted.

v. Other Employee Benefits

Other employee benefits comprise of compensated absences/leaves. The actuarial valuation is done as per projected unit credit method. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognised in the Statement of Profit and Loss effective from 1 April 2023.

f. Provisions:

A provision is recognised if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. In case the time value of money exist in a contract, provisions if required are determined by discounting the expected future cash flows (representing the best estimate of the expenditure required to settle the present obligation at the Balance Sheet date) at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability only if it is material. The unwinding of the discount is recognised as finance cost. Expected future operating losses are not provided for.

g. Revenue from contracts with customers

The Company earns revenue primarily from advertisement, technical support and commission from online booking of gadgets and its accessories under marketplace model.

In case the performance obligation in a contract is performed over a period, then revenue is recognized "over the period of contract". In case the performance obligation in the contract has been performed at a time, revenue is recognized at a "point in time"

Revenue is recognised upon transfer of control of promised services to customers in an amount that reflects the consideration which the Company expects to receive in exchange for those services.

- Advertisement revenue is recognized at a point of time when "click through" occur. A "click-through" occurs when a user clicks on an advertiser's listing.

- Technical support revenue is recognised once the services are rendered as per the terms of the contract with customers.

- Commission from online booking of gadgets and its accessories under marketplace model is recognized when the product is delivered to the buyer.

Revenue is measured based on the transaction price, which is the consideration and excludes taxes collected from customers.

Revenue from related party is recognised based on transaction price which is at arm's length.

Contract assets are recognised when there is excess of revenue earned over billings on contracts. Contract assets are classified as unbilled receivables (only act of invoicing is pending) when there is unconditional right to receive cash, and only passage of time is required, as per contractual terms.

Contract liabilities primarily relate to the consideration received from customers in advance for the Company's performance obligations which is classified as income received in advance and deferred revenue which is recognised when there is billings in excess of revenues.

h. Barter transactions

The Company enter in arrangements for sale of advertisement space on various platforms in exchange of non cash consideration. Revenue from such services is recognised at a point in time on actual performance of the contract to the extent of performance completed by the Company against its part of contract and is measured at standalone selling price of the services of the Company or if the same cannot be measured reliably, then the fair value of the services rendered, as estimated by management. The total transaction price for a contract is allocated amongst the various performance obligations based on their relative stand-alone selling prices and are being recorded at transaction price/fair value.

i. Recognition of interest income or expense

Interest income or expense is recognised using the effective interest method.

The 'effective interest rate' is the rate that exactly discounts estimated future cash payments or receipts through the expected life of the financial instrument to:

- the gross carrying amount of the financial asset; or
- the amortised cost of the financial liability.

In calculating interest income and expense, the effective interest rate is applied to the gross carrying amount of the asset (when the asset is not credit-impaired) or to the amortised cost of the liability. However, for financial assets that have become credit-impaired subsequent to initial recognition, interest income is calculated by applying the effective interest rate to the amortised cost of the financial asset. If the asset is no longer credit-impaired, then the calculation of interest income reverts to the gross basis.

j. Income tax

Income tax comprises current and deferred tax. It is recognised in profit or loss except to the extent that it relates to a business combination or to an item recognised directly in equity or in other comprehensive income.

Current tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any, related to income taxes. It is measured using tax rates (and tax laws) enacted or substantively enacted by the reporting date.

Current tax assets and current tax liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

k. Cash and cash equivalents:

Cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities in the Balance Sheet.

l. Earnings per share

Basic earnings / (loss) per share

Basic earnings per share is calculated by dividing:

- the profit / (loss) attributable to owners of the Company
- by the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year.

m. Contingent liabilities

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

n. Recent accounting pronouncements

The Ministry of Corporate Affairs (MCA), as part of India's continued convergence with IFRS, has initiated the process for introduction of Ind AS 118 – Presentation and Disclosure in Financial Statements, which is converged with IFRS 18 issued by the IASB in April 2024. Ind AS 118 is intended to replace Ind AS 1 (Presentation of Financial Statements) and focuses on improving how entities present and communicate financial performance, particularly in the Statement of Profit and Loss.

This standard is proposed to be applicable for annual reporting periods beginning on or after 1 April 2027, subject to final notification by the MCA through amendment to the Companies (Indian Accounting Standards) Rules.

Balance as at 31 March 2026	53,992	0.54

B. Rights, preferences and restrictions attached to equity shares

The Company has a single class of equity shares. Accordingly, all equity shares rank equally with regard to dividends and share in the Company's residual assets. The equity shares are entitled to receive dividend as declared from time to time. The voting rights of an equity shareholder on a poll (not on show of hands) are in proportion to its share of the paid-up equity capital of the Company. Voting rights cannot be exercised in respect of shares on which any call or other sums presently payable have not been paid. Failure to pay any amount called up on shares may lead to forfeiture of the shares. On winding up of the Company, the holders of equity shares will be entitled to receive the residual assets of the Company in proportion of the number of equity shares held.

C. Details of shareholders holding more than 5% shares in the Company

Name of shareholder	As at		As at	
	31 March 2026		31 March 2025

Liabilities against capital goods	13	-	-	0.16	0.16	-	-	-
Total		-	-	84.54	84.54	-	-	-

* The carrying amounts of trade receivables, cash and cash equivalents, bank balances other than cash and cash equivalents, unbilled revenue, trade payables, payable to employees, interest accrued on fixed deposits, payable to seller and payable to payment gateway approximates the fair values due to their short-term nature.

Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows.

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

There has been no transfers between Level 1, Level 2 and Level 3 for the years ended 31 March 2026 and 31 March 2025.

Valuation technique used to determine fair value

Specific valuation techniques used to value financial instruments include:

- the fair value of the remaining financial instruments is determined using discounted cash flow method.

Red Pixels Ventures Limited
Notes to the financial statements for the year ended 31 March 2026
(All amounts in INR millions, unless otherwise stated)

B. Financial risk management

The Company has exposure to the following risks arising from financial instruments:

- Credit risk
- Liquidity risk ;
- Market Risk - Foreign currency
- Market Risk - Interest rate

(i) Risk management framework

The Company's key management has overall responsibility for the establishment and oversight of the Company's risk management framework.

The Company's risk management policies are established to identify and analyse the risks faced by the Company to set appropriate risks limits and controls and to monitor risks and adherence to limits. Risk management policies are reviewed regularly to reflect changes in market conditions and the Company's activities. The Company through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment in which employees understand their roles and obligations.

(ii) Credit risk

The maximum exposure to credit risks is represented by the total carrying amount of these financial assets in the Balance Sheet

Particulars	As at	As at
	31 March 2026	31 March 2025
Balance in fixed deposit accounts with original maturity more than 12 months	-	67.15
Trade receivables	63.13	98.54
Cash and cash equivalents	94.41	48.77
Bank balances other than cash and cash equivalents mentioned above	83.63	41.29
Other financial assets	16.70	5.47
Advance to supplier	72.18	70.18
	330.05	331.40

Credit risk is the risk of financial loss to the Company if a customer or counter-party fails to meet its contractual obligations. Credit risk encompasses both, the direct risk of default and the risk of deterioration of credit worthiness as well as concentration of risks.

Credit risk on cash and cash equivalents and bank deposits is limited as the Company generally deals with banks with high credit ratings assigned by domestic credit rating agencies.

The Company uses expected credit loss model to assess the impairment loss. The Company uses a provision matrix to compute the expected credit loss allowance for trade receivables. The provision matrix takes into account available internal credit risk factors such as the Company's historical experience for customers. Based on the business environment in which the Company operates, management considers that the trade receivables are in default (credit impaired) if the payments are more than 180 days past due.

Trade receivables as at year end primarily includes INR 60.66 millions (31 March 2025: INR 97.36 millions) relating to related parties and INR 2.47 millions (31 March 2025: INR 1.18 millions) relating to others.

The Company believes that amount receivable from related parties is collectible in full, based on historical payment behaviour and hence no loss allowance has been recognized on the same. The Company based upon past trends determine an impairment allowance for loss on receivables from others.

Red Pixels Ventures Limited
Notes to the financial statements for the year ended 31 March 2026
(All amounts in INR millions, unless otherwise stated)

(iii) Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to manage liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

The Company aims to maintain the level of its cash and cash equivalents at an amount in excess of expected cash outflows on financial liabilities over the next six months. The Company also monitors the level of expected cash inflows on trade receivables together with expected cash outflows on trade payables and other financial liabilities.

Exposure to liquidity risk

The following are the remaining contractual maturities of financial liabilities at the reporting date. The contractual cash flow amounts are gross and undiscounted.

As at 31 March 2026	Carrying amount	Less than one year	Between one and three years	More than three years	Contractual cash flow
Trade payables	96.03	96.03	-	-	96.03
Other financial liabilities	4.49	4.49	-	-	4.49
	100.52	100.52	-	-	100.52
As at 31 March 2025	Carrying amount	Less than one year	Between one and three years	More than three years	Contractual cash flow
Trade payables	73.50	73.50	-	-	73.50
Other financial liabilities	11.04	11.04	-	-	11.04
	84.54	84.54	-	-	84.54

(iv) Market risk

Market risk is the risk that the future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises two types of risk namely: currency risk and interest rate risk. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return.

(a) Interest rate risk

Interest rate risk is the risk that the future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company is not exposed to such risk as the Company does not have any floated interest rate financial investment.

(b) Currency risk

Currency risk is the risk that the future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The Company is exposed to the effects of fluctuation in the prevailing foreign currency exchange rates on its financial position and cash flows. Exposure arises primarily due to exchange rate fluctuations between the functional currency (INR) and other currency (USD) from the Company's operating, investing and financing activities.

Red Pixels Ventures Limited
Notes to the financial statements for the year ended 31 March 2026
(All amounts in INR millions, unless otherwise stated)

Unhedged exposure to foreign currency risk

The Company's exposure in respect of foreign currency denominated financial liabilities not hedged by derivative instruments or others as follows-

Currency	As at 31 March 2026			As at 31 March 2025		
	Amount in foreign currency	Exchange rate	Amount in INR	Amount in foreign currency	Exchange rate	Amount in INR
USD	0.28	94.31	25.94	-	-	-

The Company's exposure in respect of foreign currency denominated financial assets not hedged by derivative instruments or others as follows-

Currency	As at 31 March 2026			As at 31 March 2025		
	Amount in foreign currency	Exchange rate	Amount in INR	Amount in foreign currency	Exchange rate	Amount in INR
USD	0.00	94.31	0.08	-	-	-

Sensitivity analysis

A reasonably possible strengthening (weakening) of the Indian Rupee against below currencies at 31 March 2026 and 31 March 2025 would have affected the measurement of financial instruments denominated in foreign currency and affected Statement of Profit and Loss by the amounts shown below. This analysis is performed on foreign currency denominated monetary financial assets and financial liabilities outstanding as at the year end. This analysis assumes that all other variables, in particular interest rates, remain constant.

Particulars	Statement of Profit & Loss for the year ended 31 March 2026		Statement of Profit & Loss for the year ended 31 March 2025	
	Gain/(loss) on appreciation	Gain/(loss) on depreciation	Gain/(loss) on appreciation	Gain/(loss) on depreciation
1% depreciation/ appreciation in Indian Rupees against following foreign currencies:				
USD	(0.26)	0.26	-	-
	(0.26)	0.26	-	-

The following significant exchange rates applied during the year

	Average exchange rates per unit		Reporting date rate per unit	
	For the year ended 31 March 2026	For the year ended 31 March 2025	As at 31 March 2026	As at 31 March 2025
USD	94.31	-	94.31	-

USD: United States Dollar.

(All amounts in INR millions, unless otherwise stated)

Note 27: Employee Benefits

(i) Gratuity

Gratuity is payable to all eligible employees of the Company on retirement or separation from the Company. The following table sets out the status of the defined benefit plan as required under Ind AS 19 - Employee Benefits:

(a) Movement in net defined benefit liability:

Particulars	Present value of obligation
Balance as at 1 April 2024	2.16
Current service cost	0.93
Interest expense	0.15
Total amount recognised in profit or loss	1.08
<i>Remeasurements</i>	
Loss from change in financial assumptions	0.15
Loss from change in experience variance	0.08
Total amount recognised in other comprehensive income	0.23
Benefit payments	-
Balance at 31 March 2025	3.47
Balance as at 1 April 2025	3.47
Current service cost	1.14
Interest expense	0.30
Total amount recognised in profit or loss	1.44
<i>Remeasurements</i>	
Loss from change in demographic assumptions	-
(Gain)/Loss from change in financial assumptions	(0.11)
Loss from change in experience variance	1.22
Total amount recognised in other comprehensive income	1.11
Past Service Cost	1.30
Benefit payments	(0.78)
Balance at 31 March 2026	6.54

The net liability disclosed above relates to unfunded plans are as follows:

Particulars	As at 31 March 2026	As at 31 March 2025
Present value of unfunded obligations	6.54	3.47
Deficit of gratuity plan	6.54	3.47

The Company has a defined benefit gratuity plan in India, governed by the Payment of Gratuity Act, 1972. Plan entitles an employee, who has rendered at least five years of continuous service, to gratuity at the rate of fifteen days wages for every completed year of service or part thereof in excess of six months, based on the rate of wages last drawn by the employee concerned.

(b) Assumptions:

1. Economic assumptions

Particulars	As at 31 March 2026	As at 31 March 2025
Discount rate	7.05%	6.75%
Salary growth rate	5.00%	5.00%

The discount rate is based on the prevailing market yields of government bonds as at the balance sheet date for the estimated term of the obligations. The salary escalation rate is based on estimates of salary increases, which takes into account inflation, promotion and other relevant factors.

2. Demographic assumptions:

Particulars	As at 31 March 2026	As at 31 March 2025
Withdrawal rate	5.00%	5.00%
Mortality rate (% of IALM 2012-14)	100%	100%
Retirement age (years)	58	58

Red Pixels Ventures Limited
Notes to the financial statements for the year ended 31 March 2026
(All amounts in INR millions, unless otherwise stated)

(c) Sensitivity analysis

Reasonably possible changes at the reporting date to one of the relevant actuarial assumptions, holding other assumptions constant, would have affected the defined benefit obligation by the amounts shown below.

Particulars	Impact on defined benefit obligation					
	Change in assumption		Increase in assumption		Decrease in assumption	
	As at 31 March 2026	As at 31 March 2025	As at 31 March 2026	As at 31 March 2025	As at 31 March 2026	As at 31 March 2025
Discount rate	1.00%	1.00%	(0.58)	(0.36)	0.67	0.42
Salary growth rate	1.00%	1.00%	0.52	0.43	(0.46)	(0.37)
Attrition rate	50.00%	50.00%	0.23	0.03	(0.33)	(0.07)
Mortality rate	50.00%	10.00%	0.02	-	(0.03)	-

Although the analysis does not take account of the full distribution of cash flows expected under the plan, it does provide an approximation of the sensitivity of the assumptions shown.

The actuarial liability for compensated absences as at the year ended 31 March 2026 is INR 3.87 million (31st March 2025 INR 1.82 million)

(d) Expected Contribution during the next annual reporting period

The Company's best estimate of Contribution during the next year*	-
---	---

* Please note that since the scheme is managed on unfunded basis, the next year contribution is taken as nil.

(e) Maturity Profile of Obligations

The weighted average duration of the defined benefit plan obligation at the end of the reporting period is 10 years (31st March 2025:12 years). The expected maturity analysis of gratuity benefits is as follows :

Particulars	As at 31 March 2026	As at 31 March 2025
1 year	0.85	0.13
2 to 5 years	2.23	0.83
6 to 10 years	2.30	1.35
More than 10 years	9.72	6.17

Red Pixels Ventures Limited

Notes to the financial statements for the year ended 31 March 2026

(All amounts in INR millions, unless otherwise stated)

Note 28 : Taxation

A) The reconciliation of estimated income tax to income tax expense is as follows:

Particulars	For the year ended 31 March 2026	For the year ended 31 March 2025
Profit / (loss) before taxes	(11.51)	(14.67)
Tax using the Company's applicable tax rate (25.17%)	-	-
Effect of:		
Others	(1.07)	(0.71)
Tax expense for earlier years	-	(0.90)
Effective tax	(1.07)	(1.61)

B) Recognised deferred tax assets and liabilities

Deferred tax assets and liabilities are attributable to following:

Particulars	As at 31 March 2026	As at 31 March 2025
Deferred tax assets		
- Expenditure allowed for tax purposes on payment basis	2.62	1.33
- Property, plant and equipment, intangible asset and investment property	0.41	0.35
Total deferred tax assets	3.03	1.68
Net deferred tax assets	3.03	1.68

C) Movement in deferred tax assets / (liabilities) during the year :

Particulars	Balance as at 1 April 2024	Recognised in profit or loss	Recognised in other comprehensive income	Balance as at 31 March 2025	Recognised in profit or loss	Recognised in other comprehensive income	Balance as at 31 March 2026
Deferred tax assets							
- Property, plant and equipment, intangible asset and investment property	0.20	0.15	-	0.35	0.06	-	0.41
- Expenditure allowed for tax purposes on payment basis	0.71	0.56	0.06	1.33	1.01	0.28	2.62
Total deferred tax assets	0.91	0.71	0.06	1.68	1.07	0.28	3.03
Net deferred tax assets	0.91	0.71	0.06	1.68	1.07	0.28	3.03

Red Pixels Ventures Limited**Notes to the financial statements for the year ended 31 March 2026****(All amounts in INR millions, unless otherwise stated)****Note 29: Contingent liabilities**

1) During the financial year 2019-20, the Company has received a demand of income tax amounting to INR 120.9 millions based on an assessment order for Assessment Year 2016-17 issued by the Income Tax Department. Company has filed an appeal against the said order before CIT(Appeals) which is pending for disposal. Company also filed a stay of demand application before the Assessing Officer. Following the stay application filed by the Company, the stay was granted upon payment of 20% of the demand as prescribed by CBDT. Out of the total outstanding demand, an amount of INR 31.31 millions has been deposited/adjusted with the refunds due to the Company. Company has engaged reputed professional advisors to protect its interest and has been advised that it has strong legal positions in relation to the tax disputes.

2) There are no transactions that has been surrendered or disclosed under the Income Tax Act (such as, survey or any other relevant provisions of the Income Tax Act, 1961) which were not recorded in the books of accounts.

Note 30: Segment Information
