INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF RED PIXELS VENTURES LIMITED

Report on the Financial Statements

We have audited the accompanying financial statements of **Red Pixels Ventures Limited** ("the Company"), which comprise the Balance Sheet as at 31 March 2016, the Statement of Profit and Loss and the Cash Flow Statement for the period 1 September 2015 to 31 March 2016, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes the maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating

BSR & Associates LLP

the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2016, its loss and its cash flows for the period ended on that date.

Report on other legal and regulatory requirements

- 1. As required by the Companies (Auditor's report) Order, 2016 ("the order") issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we enclose in the Annexure A, statement on the matters specified in paragraph 3 of the order.
- 2. As required by section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - (c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account;
 - (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
 - (e) On the basis of the written representations received from the directors as on 31 March 2016 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2016 from being appointed as a director in terms of Section 164 (2) of the Act;
 - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B"; and
 - (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations as at 31 March 2016;

BSR& Associates LLP

- ii. The Company does not have any long-term contracts or derivative contracts outstanding as at 31 March 2016; and
- iii. The Company does not have any dues on account of Investor Education and Protection Fund.

BSR & Associates LLP

Annexure A referred to in our Independent Auditor's Report of even date to the members of Red Pixels Ventures Limited on the financial statements for the period 1 September 2015 to 31 March 2016.

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
 - (b) The Company has established a regular programme of physical verification of its fixed assets by which fixed assets will be verified in a phased manner over a period of three years commencing from next financial year. The Company has not carried out physical verification of fixed assets in the current period as the company was incorporated in the current period. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its fixed assets.
 - (c) According to the information and explanations given to us, the Company does not hold any immovable property in its name. Accordingly, para 3(i)(c) of the Order is not applicable.
- (ii) According to the information and explanations given to us, the Company does not hold any physical inventory. Accordingly, para 3(ii) of the Order is not applicable.
- (iii) According to the information and explanations given to us, the Company has not granted any loans, secured or unsecured to companies, firms, limited liability partnerships or other parties covered in the register maintained under section 189 of the Companies Act, 2013. Accordingly, para 3(iii) of the Order is not applicable.
- (iv) According to the information and explanations given to us, the Company has not entered into any transactions related to loans, investments, guarantees and securities to which the provisions of Section 185 and Section 186 of the Act are applicable. Accordingly, para 3(iv) of the Order is not applicable.
- (v) As per the information and explanations given to us, the Company has not accepted any deposits as mentioned in the directives issued by the Reserve Bank of India and the provisions of section 73 to 76 or any other relevant provisions of the Companies Act, 2013 and the rules framed there under. Accordingly, para 3(v) of the Order is not applicable.
- (vi) According to the information and explanations given to us, the Central Government has not prescribed the maintenance of cost records under sub-section (1) of section 148 of the Companies Act, 2013, for any of the services rendered by the Company. Accordingly, para 3(vi) of the Order is not applicable.
- (vii) (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, amounts deducted/ accrued in the books of account in respect of undisputed statutory dues including provident fund, income-tax, sales tax, service tax, value added tax, cess and other statutory dues have generally been regularly deposited by the Company with the appropriate authorities though there has been a slight delay in a few cases pertaining to service tax.

B S R & Associates LLP

As explained to us, the Company did not have any dues on account of duty of excise, employees' state insurance and duty of customs

According to the information and explanations given to us, no undisputed amounts payable in respect of provident fund, income-tax, sales tax, service tax, value added tax, cess and other statutory dues were in arrears as at 31 March 2016, for a period of more than six months from the date they became payable.

- (b) According to the information and explanations given to us, there are no dues of income-tax, sales tax, service tax and value added tax which have not been deposited with the appropriate authorities on account of any dispute.
- (viii) According to the information and explanations given to us, the Company did not have any outstanding dues to any financial institutions, banks, government or debenture holders during the period. Accordingly, para 3 (viii) of the Order is not applicable.
- (ix) According to the information and explanations given to us, the Company did not raise any money by way of initial public offer or further public offer (including debt instruments) and term loans during the period. Accordingly, para 3 (ix) of the Order is not applicable.
- (x) According to the information and explanations given to us, there has been no fraud by the Company and neither any fraud on the Company by its officers or employees has been noticed or reported during the period.
- (xi) According to information and explanations given to us and on the basis of our examination of the records of the Company, the managerial remuneration has been provided and paid by the Company in accordance with the provisions of section 197 read with Schedule V to the Companies Act, 2013.
- (xii) According to the information and explanations given to us, the Company is not a nidhi company. Accordingly, para 3(xii) of the Order is not applicable.
- (xiii) According to the information and explanations given to us and on the basis of our examination of the records of the Company, transactions with the related parties are in compliance with Section 177 and 188 of the Act where applicable and the details have been disclosed in the financial statements as required by the applicable accounting standards.
- (xiv) According to the information and explanation given to us and on the basis of our examination of the records of the Company, the Company has made preferential allotment or private placement of equity shares during the period in accordance with the requirement of Section 42 of the Act and the amount raised have been used for the purpose for which the funds were raised.
- (xv) According to the information and explanations given to us, the Company has not entered into any non-cash transactions with directors or person connected with him covered by Section 192 of the Act. Accordingly, para 3(xv) of the Order is not applicable.

BSR & Associates LLP

Place: Gurgaon

Date: 05 May 2016

(xvi) According to the information and explanations given to us, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934.

Annexure B to the Independent Auditor's Report of even date on the financial statements of Red Pixels Ventures Limited for the period 1 September 2015 to 31 March 2016

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Red Pixels Ventures Limited ("the Company") as of 31 March 2016 in conjunction with our audit of the financial statements of the Company for the period ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting, issued by the ICAI.

Notes to financial statements for the period September 1, 2015 to March 31, 2016

1. Corporate information

The Company was incorporated on September 1, 2015 under the provisions of the Companies Act, 2013. The Company maintains and operates market place e-commerce platform Gadgets 360.com.

2. Summary of significant accounting policies

2.1 Basis of preparation

These financial statements have been prepared and presented under the historical convention on a going concern basis, on the accrual basis of accounting and comply with the Accounting Standards specified under section 133 of the Companies Act 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014, pronouncements of the Institute of Chartered Accountants of India and other accounting principles generally accepted in India, to the extent applicable.

All assets and liabilities have been classified as current or non-current in accordance with the Company's operating cycle and other relevant criteria. Based on the nature of the product or services and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current - non current classification of assets and liabilities.

2.2 Use of estimates

In the preparation of the financial statements, the management of the Company makes appropriate estimates and assumptions (in conformity with the applicable accounting principles in India) that affect the reported balances of assets and liabilities and disclosures relating to contingent assets and liabilities as at the date of the financial statements and reported amounts of income and expenses during the period. Examples of such estimates include provisions for doubtful debts, future obligations under employee retirement benefit plans, income taxes, and the useful lives of fixed assets and intangible assets.

Provisions: Provisions are recognized when there is a present obligation as a result of a past event. It is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance sheet date and are not discounted to their present value.

Contingent liability: Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

2.3 Tangible assets

Tangible assets are stated at the cost of acquisition, which includes taxes, duties, freight, insurance and other incidental expenses incurred for bringing the assets to the working condition required for their intended use, less depreciation and impairment.

Subsequent expenditures related to an item of tangible fixed asset are added to its book value only if they increase the future benefits from the existing asset beyond its previously assessed standard of performance.

Depreciation on tangible assets is provided on a pro-rata basis on the straight line method over the estimated useful lives of the assets. The useful lives as estimated for tangible assets are in accordance with the useful lives as indicated in Schedule II of the Companies Act, 2013 except for the following class of assets where different useful lives have been used:

Asset head	Useful life (years)
Furniture and Fixture	8
Office Equipment	3
Computers	5

The estimates of useful lives of the assets are based on the technical evaluation.

Individual assets costing less than Rs. 5,000 are depreciated at the rate of 100% in the year of acquisition.

The useful lives are reviewed by the management at each financial year-end and revised, if appropriate. In case of a revision, the unamortised depreciable amount is charged over the revised remaining useful life.

Loss arising from the retirement of and gains or losses arising from disposal of fixed assets which are carried at cost are recognized in the Statement of Profit and Loss.

Notes to financial statements for the period September 1, 2015 to March 31, 2016

2.4 Intangible assets

Intangible assets are recognised if they are separately identifiable and the company controls the future economic benefits arising out of them. All other expenses on intangible items are charged to the profit and loss account. Intangible assets are stated at cost less accumulated amortisation and impairment.

Gains or losses arising from the retirement or disposal of an intangible asset are determined as the difference between the net disposal proceeds and the carrying amount of the asset and recognised as income or expense in the statement of profit and loss.

Amortisation on intangible assets is provided using the Straight Line Method based on the useful lives as estimated by the management. Depreciation is charged on a pro-rata basis for assets purchased/sold during the period. Individual assets costing less than Rs. 5,000 are depreciated at the rate of 100% in the period of acquisition. The management's estimates of useful lives for intangible assets are given below:

Asset head	Useful life (years)
Website	6
Software	6

Amortisation method and useful lives are reviewed at each reporting date. If the useful life of an asset is estimated to be significantly different from previous estimates, the amortisation period is changed accordingly. If there has been a significant change in the expected pattern of economic benefits from the asset, the amortisation method is changed to reflect the changed pattern.

2.5 Leases

Assets taken on leases where significant risks and rewards of ownership are retained by the lessor are classified as operating leases. Lease rentals are charged to the Statement of Profit and Loss on a straight line basis over the lease term.

2.6 Impairment

The carrying values of assets are reviewed at each reporting date to determine if there is indication of any impairment, using external and internal sources. If any indication exists, the asset's recoverable amount is estimated. For assets that are not yet available for use, the recoverable amount is estimated at each reporting date. Impairment occurs where the carrying value of the asset or its cash generating unit exceeds the present value of future cash flows expected to arise from the continuing use of the asset or its cash generating unit and its eventual disposal. The impairment loss to be expensed is determined as the excess of the carrying amount over the higher of the asset's net sales price or present value of future cash flows from use of the assets as determined above. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. Impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined net of depreciation or amortisation, if no impairment loss had been recognised,

2.7 Revenue recognition

Commission from online booking of gadgets and its accessories under marketplace model is recognized when the product is delivered to the buyer.

2.8 Foreign currency transaction

Transactions in foreign currency are recorded at the rates of exchange in force at the time the transactions are effected. All monetary assets and liabilities denominated in foreign currency are restated at the year-end exchange rate. All non-monetary assets and liabilities are stated at the rates prevailing on the dates of the transactions.

Gains / (losses) arising out of fluctuations in the exchange rates are recognised as income / expense in the year in which they arise.

2.9 Employee benefits

Short-term employee benefits

Employee benefits payable wholly within twelve months of receiving employee services are classified as short-term employee benefits. These benefits include salaries, wages and bonus. The undiscounted amount of short-term employee benefits to be paid in exchange for employee services is recognised as an expense as the related service is rendered by employees.

Defined contribution plans

The Company's provident fund scheme is a defined contribution plan. The Company's contribution paid/payable under the scheme is recognised as an expense in the Statement of Profit and Loss during the year in which the employee renders the related service.

Notes to financial statements for the period September 1, 2015 to March 31, 2016

Defined benefit plans

The Company's gratuity benefit scheme is defined benefit plan. The Company's net obligation in respect of a defined benefit plan is calculated by estimating the amount of future benefit that employees have earned in return for their service in the current and prior periods; that benefit is discounted to determine its present value. Any unrecognised past service costs and the fair value of any plan assets are deducted. The calculation of the Company's obligation under the plan is performed annually by a qualified actuary using the projected unit credit method.

The Company recognises all actuarial gains and losses arising from defined benefit plans immediately in the Statement of Profit and Loss. All expenses related to defined benefit plans are recognised in employee benefits expense in the Statement of Profit and Loss. When the benefits of a plan are improved, the portion of the increased benefit related to past service by employees is recognised in Statement of Profit and Loss on a straight-line basis over the average period until the benefits become vested. The Company recognises gains and losses on the curtailment or settlement of a defined benefit plan when the curtailment or settlement occurs.

2.10 Employee share based payments

The excess of the market price of shares, at the date of grant of options under the Employee Stock Option Schemes of Red Pixels Ventures Limited over the exercise price is regarded as employee compensation, and recognised on a straight-line basis over the period over which the employees would become unconditionally entitled to apply for the shares.

2.11 Earnings per share (EPS)

Basic EPS

The earnings considered in ascertaining the Company's basic EPS comprise the net profit/ (loss) after tax. The number of shares used in computing basic EPS is the weighted average number of shares outstanding during the period.

Diluted EPS

The net profit/ (loss) after tax and the weighted average number of shares outstanding during the year are adjusted for all the effects of dilutive potential equity shares for calculating the diluted EPS, except when the results will be anti-dilutive.

2.12 Other income

Interest income

Interest Income is recognized on a proportion of time basis taking into account the principal outstanding and the rate applicable.

2.13 Taxes on income

Income-tax expense comprises current tax (i.e. amount of tax for the period determined in accordance with the income-tax law) and deferred tax charge or credit (reflecting the tax effects of timing differences between accounting income and taxable income for the period). Income-tax expense is recognised in profit or loss except that tax expense related to items recognised directly in reserves is also recognised in those reserves.

Current tax is measured at the amount expected to be paid to (recovered from) the taxation authorities, using the applicable tax rates and tax laws. Deferred tax is recognised in respect of timing differences between taxable income and accounting income i.e. differences that originate in one year and are capable of reversal in one or more subsequent year. The deferred tax charge or credit and the corresponding deferred tax liabilities or assets are recognised using the tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date. Deferred tax assets are recognised only to the extent there is reasonable certainty that the assets can be realised in future; however, where there is unabsorbed depreciation or carried forward loss under taxation laws, deferred tax assets are recognised only if there is a virtual certainty supported by convincing evidence that sufficient future taxable income will be available against which such deferred tax assets can be realised. Deferred tax assets are reviewed as at each balance sheet date and written down or written-up to reflect the amount that is reasonably/virtually certain (as the case may be) to be realised.

2.14 Cash and cash equivalents

In the cash flow statement, cash and cash equivalents includes cash in hand, demand deposits with bank, other short-term highly liquid investments with original maturities of three months or less.

Notes to financial statements for the period September 1, 2015 to March 31, 2016

Equity shares of Rs. 10 each fully paid up held by:		252
NDTV Convergence Limited	30,000	56%
New Delhi Television Limited	20,000	37%

(d) Rights, preferences and restrictions attached to the equity shares

The Company has a single class of equity shares. Accordingly, all equity shares rank equally with regard to dividends and share in the Company's residual assets. The equity shares are entitled to receive dividend as declared from time to time. The voting rights of an equity shareholder on a poll (not on show of hands) are in proportion to its share of the paid-up equity capital of the Company. Voting rights cannot be exercised in respect of shares on which any call or other sums presently payable have not been paid. Failure to pay any amount called up on shares may lead to forfeiture of the shares. On winding up of the Company, the holders of equity shares will be entitled to receive the residual assets of the Company in proportion to the number of equity shares held.

Notes to financial statements for the period September 1, 2015 to March 31, 2016

(e) Employee stock option

Description of share-based payment arrangements

As at March 31, 2016, the company has the following share-based payment arrangement for employees.

Red Pixels Ventures Limited-Employee Stock Option Plan 2016 ('the 2016 plan')

In 2016, the Company approved the 2016 Plan. The plan entitles key management personnel and senior employees of the Company to purchase the common shares of the Company at the exercise price on the grant date, subject to compliance with vesting conditions. All exercised options shall be settled by allotment of shares. Upon vesting, the employees can acquire one common share of the Company for every option.

The terms and conditions related to the grant of the share options are as follows:

Grant date/employees entitled	Number of options granted	Vesting conditions	Contractual life of options
Options granted to the employees of the Company during the period ended March 31, 2016	17,940	Refer Notes	12.91 years
Total share options as of March 31, 2016	17,940	-	

Note:

For options granted total vesting period is 36 months. 50% of the options granted will vest after the completion of 24 months of the continuous service from the grant date and the balance 50% will vest after the completion of 36 months of the continuous service from the grant date.

Reconciliation of outstanding share options

The number and weighted average exercise prices of share options under employee stock option plans are as follows:

	As at Mar	As at March 31, 2016		
Particulars	No. of options	Weighted average exercise price		
Granted during the period	17,940	59,400		
Outstanding at the end of the period	17,940	59,400		
Exercisable at the end of the period				

The options outstanding at March 31, 2016 have an exercise price of Rs. 59,400 and a weighted average contractual life of 12.91 years.

As permitted by the guidance note on the subject issued by the Institute of Chartered Accounts of India ("ICAI"), the Company has elected to account for stock options based on their intrinsic value (i.e. the excess of share price of the underlying share over the exercise price) at the grant date rather than their fair value at that date. Had the compensation cost for employee stock options been determined on the basis of the fair value approach as described in the ICAI guidance note, the Company's loss after tax and basic and diluted loss per share would have been as per the proforma amounts shown below:

Particulars	For the period September 1, 2015 to March 31, 2016
Net loss as reported	(6,50,72,868)
Less: Employee stock option compensation expense as per fair value	1,80,78,811
Adjusted proforma net profit/loss	(8,31,51,679)
Loss per equity share	
As reported - basic	(1,251.70)
As reported - diluted	(1,251.70)
Adjusted proforma - basic	(1,599.45)
Adjusted proforma - diluted	(1,599.45)
For purposes of the above proforma disclosures, the weighted average grant date fair value	e of options granted during the year was Rs.25,993.70

The inputs used in the measurement of grant-date fair values are as follows:

Particulars	For the period
rarticulars	September 1, 2015 to March 31, 2016
Share price	59,400
Exercise price	59,400
Expected volatility	0.00%
Expected life	6 - 8 periods
Expected dividend	0.00%
Risk-free interest rate	7.8% - 8.0%

23. Post-employment benefit plans (Gratuity)

The Company provides for long term defined benefit schemes of gratuity on the basis of actuarial valuation on the Balance Sheet date based on the Projected Unit Credit Method. The Company recognises the actuarial gains and losses in the Statement of Profit & Loss as income and expense in the period in which they occur.

	(Amount in Rupees)
Particulars	As at March 31, 2016
Changes in the Present value of the Obligation:	
Acquisition Adjustment	5,72,008
Service Cost - Current	3,90,514
Interest Cost	22,085
Actuarial (gain) / loss	(1,74,269)
Obligations at period end	8,10,338
Expense recognised in the Statement of Profit and Loss	For the period September 1, 2015 to March 31, 2016
Acquisition Adjustment	5,72,008
Service Cost Current	3,90,514
Interest Cost	22,085
Actuarial (gain) / loss	(1,74,269)
Total cost included in employee benefits	8,10,338
The principal assumptions used in determining post-employment benefit obligations are shown below:	As at March 31, 2016
Discount Rate	7.7%
Future salary increases	7.7% for 1st year, 8.08% for 2nd year, 8.49% for 3rd year, 8.91% for 4th year and 9.36% thereafter.

The estimates of future salary increases, considered in the actuarial valuation, take account of inflation, seniority, promotion and other relevant factors such as supply and demand factors in the employment market. The demographic assumptions were as per the published rates of "Life Insurance Corporation of India (2006-08) Mortality Table (ultimate)", which is considered a standard table.

Actuary's estimates of contributions for the next financial year is Rs. 662,599.

24. Capitalisation of expenditure

During the period, the company has capitalized the following expenses of revenue nature to the cost of fixed asset/ capital work-in-progress (CWIP). Consequently, expenses disclosed under the respective notes are net of amounts capitalized by the company.

	(Amount in Rupees)
