Re: Disclosure under Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

Dear Sirs,

This is with reference to our letter submitted earlier today informing about the raids conducted by CBI. In this regard we wish to inform you that it is shocking that the CBI today morning conducted searches on the NDTV offices and residence of its promoters without even conducting a preliminary enquiry. CBI has filed a FIR based on a complaint by a private individual - a disgruntled former consultant at NDTV called Sanjay Dutt - who has been making false allegations and filing cases in courts of law with these false allegations and till date he has not even obtained any order from any of these courts. Legal analysts are astounded that where courts have rejected giving any order in all these years, the CBI conducts raids based on what is a private complaint.

The allegation appears to be for a loan which has been repaid by Dr. Prannoy Roy and Mrs. Radhika Roy from ICICI Bank more than 7 years ago. There are documents to support that fact that the loan was repaid in full (see attachment).

It is indeed surprising that the CBI has chosen not only to register an FIR but conduct a search for a loan which has been duly repaid to ICICI Bank. Moreover ICICI is a private bank.

The allegation that no disclosure was made to SEBI and other regulatory authorities is not only incorrect and false - moreover it does not cloth the CBI with any power to register cases and search. Further, the fact that the search by the CBI is only a 'witch hunt' is apparent since the documents seized do not relate to the business of the promoters and NDTV.

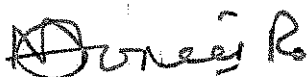

NDTV and its promoters have never defaulted on any loan to ICICI or any other bank. We adhere to the highest levels of integrity and independence.

Further, the Company firmly believes that this will not have any bearing on the operation/performance of the Company.

Thanking you,

Yours sincerely,

For New Delhi Television Limited
